

Box Tops for Education Is GOING DIGITAL... but keep clipping!!

Box Tops is phasing out the clip-able box tops and by end of next year will be completely digital. What does this mean? It means, you can now download the app and scan your receipts. But since there are still box tops on packages we are still collecting them!!!! Please continue to clip those box tops and send them into school!

Pennwood raised over \$1900 last year. We want to raise the bar and earn even more for our school this year. WE CAN DO IT!

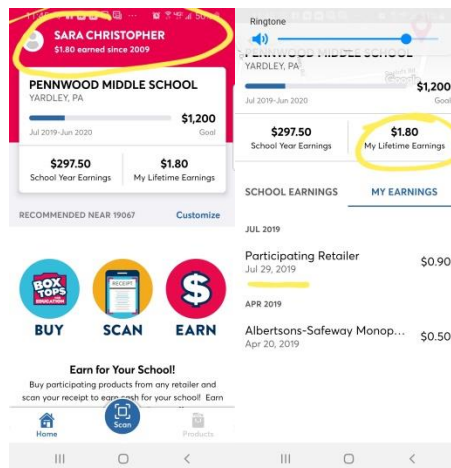

Are you ready to win some great prizes? Our first Box Tops Prize basket is up for grabs and it's worth over \$100. Will you be the lucky Winner?

Here's how::

Download the app. Click this link for instructions on how to download the app.
