- Donations from a Student/Family totaling \$250.00 or more will be commemorated by a ***specially designated Limited Edition Legacy Paver***. Your Student/Family name will also be engraved on a plaque featured in the Learning N.E.S.T.!
- Additional pavers are available for purchase for \$100.00 and will also include your student/family name engraved on the Learning N.E.S.T. plaque!

The pavers will be used to create the patio space in our future outdoor classroom. Your paver can be inscribed with an individual or family name, creating a lasting dedication. You may also choose to honor someone who has made a difference in your life or that of your child, such as a parent, friend or teacher.

These pavers will create a Quarry Hill Elementary time capsule within the walls of our courtyard – a wonderful opportunity to preserve a special message!
